

■ CRANEL IMAGING IS THE LEADING VALUE-ADDED DISTRIBUTOR OF DOCUMENT IMAGING AND STORAGE PRODUCTS AND SERVICES

eCopy Announces New Partner, eMASON

eCopy's First Provider of Process and Image Centric Automated Workflow

Take your images to the next level - using the eMASON IWorkS Connector for [eCopy ShareScan OP](#) to trigger workflow. This all-in-one coherent web-based system delivers improved efficiencies, increased revenue realization, optimal resource utilization, and competitive superiority.

Why choose the eMASON / eCopy solution?

- Easy to use web-based process management tool.
- E-mail, fax or distribute scanned documents directly from your digital copier or scanner and launch processes automatically.
- Encrypt outgoing scanned documents with 128-bit encryption to comply with regulatory or internal security.
- Extend value of your products and services by images triggering business processes...the end-to-end solution.
- Customize the rules for your processes and documents on the fly.
- Ensure tasks and deadlines are handled accurately, in a timely manner through process automation.

MFPs + Desktop Scanners + eCopy + eMASON = End-to-End Solution

Find out more about how [eCopy](#) is strategically ahead of the industry by embracing [eMASON's](#) automated workflow application. Don't stop at scanning and distributing that image ... put that image to work!
